**Y**ou've probably wondered (we have ourselves),  
is there really a Santa? Does he have elves?

We went up north and paid them a visit  
and now we have pictures that not only prove it,  
they show you at last the things elves go through  
to make all those presents and bring them to you.

Just wrapping gifts for so many children  
can sometimes cause a degree of confusion.

At the top of the tree  
there's a present for me  
and a present for you  
the first is a woman like  
none other I have ever seen  
she's tall and slender  
with a gentle smile  
her hair is dark and shiny  
her eyes are bright and clear  
she's wearing a fur coat  
that's soft and warm  
it's a coat that's perfect  
for the winter season  
it's a coat that's elegant  
and sophisticated  
it's a coat that's sure  
to make you look your best  
so if you're looking for  
a special gift this year  
look no further than  
the first woman on the tree  
she's the one you want  
she's the one you need  
she's the one you deserve  
she's the one you'll love  
she's the one you'll cherish  
she's the one you'll treasure
